What you need to do before you place your orders? :

Visit www.voltmi.com/oc , download FAQ document and read everything carefully. Understand, Confirm and then only move ahead with the order confirmation.

How to place your orders?

- 1) Download the order confirmation form
- 2) Download delivery information & declaration form
- 3) Fill up all details properly (we will not allow any changes at a later stage)
- 4) Attach Payment proof copy/screenshot, your HKID copy (Sender) and Aadhaar Card Copy (Receiver - who will receive the delivery in India)
- 5) Send all of the above by email to gp@aplomhk.com and rr@aplomhk.com

Very Important Please Note :

- 1) We will only accept orders until a certain given date and time announced by our company representative to you on the phone, whatsapp, or group chat. The date is subject to be modified either earlier or later depending on the maximum limit of supply from our side.
- 2) Once you have emailed us all the forms properly filled with all information and have sent us the payment proof by email, your order is 100% confirmed provided your payment is received within maximum 2 business working days. If the payment receiving is delayed for any reason, we may cancel your order and refund your money in the same bank account.
- 3) If there is any order cancellation from our side, your payment will be refund to you in maximum 7 working days. The amount to refund will be exactly the same as the amount we received in our bank account .
- 4) If you would like to confirm if any stocks are available or not available before making the payment please message or call Raj Ramani (Roger) on +852 6332 4784
- 5) Please only email confirmations with all the forms duly and correctly filled will be accepted. Anyone sending any forms on whatsapp, facebook or any other messenger will not be accepted and your order might not be accepted.

6) All forms and payment proof needs to be sent in the same email and not in separate emails to gp@aplomhk.com and rr@aplomhk.com

7) Once the 50% payment is made order cannot be cancelled from your side.
